GERMAN STUDIES ASSOCIATION

The German Studies Association is a national and international association of scholars in all fields of German studies. Its interest spans the period from early times to the present Federal Republic of Germany, Austria, and Switzerland. A multidisciplinary and interdisciplinary organization, the Association welcomes as members individuals whose interests involve specific or broad aspects of history, literature, politics and government, and other fields relating to German-speaking Europe. Members of the Association receive the *German Studies Review*, the *Newsletter*, the Conference Program, and all other publications.

The Association holds an annual conference, usually in early October. A Call for Papers is issued in the winter of the preceding year, and the deadline for submissions of proposals is announced for the following spring. A Conference Program is sent to each member.

Newsletter

The Association publishes a *Newsletter* containing news of the Association, professional news, information about grants, research opportunities, information about computers and software for academic users, films and classroom aids, major resource collections, archival reports, occasional reviews of current literature and textbooks, and other news. Members are invited to contribute material for the *Newsletter*.

Contributions may be addressed to Prof. Gerald R. Kleinfeld, Executive Director, *German Studies Association*, Arizona State University, Tempe, Arizona 85287-3204 USA.

German Studies Review

The journal of the Association is *German Studies Review*, published three times each year, in February, May, and October. The *Review* contains articles and book reviews in history, literature, political science, or interdisciplinary topics. Publication is in the language of submission, English or German. Members of the Association are the primary book reviewers. The Editorial Board of *German Studies Review* includes:

Ehrhard Bahr (University of California, Los Angeles)
Marion Deshmukh (George Mason University)
Norman Goda (Ohio University)

Eric D. Kohler (University of Wyoming)
Jennifer E. Michaels (Grinnell College)
Nancy E. Rupprecht (Middle Tennessee State University)

GSA WEB SITE

The German Studies Association has a new web site, effective immediately. Do check it out. It will be more frequently updated than our old site, because we can do that now from our own office. The new address is also easier to remember:

Do not forget to use the hyphens (little dashes)!!

GENERAL INFORMATION

LOCATION

The 2001 Twenty-Fifth Annual Conference of the German Studies Association will meet in the Washington, D.C. area from October 4 – 7, at the Crystal Gateway Marriott Hotel. The Conference Hotel is located at 1700 Jefferson Davis Hwy., Arlington, VA 22202, telephone 703-920-3230, fax 703-979-6332. All hotel reservations **MUST** be made through the GSA Main Office, and the hotel will not accept any reservations under the GSA block except those made through the GSA Main Office. The discounted hotel rate for the GSA block is \$110, single and double (there is a \$3 per day energy surcharge on all rooms and there is a \$100 charge for checking out at an earlier date after one has already checked in – in other words, the day of departure may be changed at check-in, but to do so afterwards incurs a charge of \$100). Hotel reservations at this rate are available only to persons attending the GSA Conference, and Hotel Reservation Request forms must be accompanied by a Conference Registration Form. Room rates outside of the GSA block are in excess of \$160 per night.

GSA will send completed Hotel Reservation Request forms to the Conference Hotel, which has agreed to send out confirmation notices. Do not request confirmation from the GSA Main Office.

Observe the cut-off date for the room block. GSA cannot guarantee the availability of rooms after the cut-off date. If we do not **receive** your Hotel Reservation Request in advance of the cut-off date, we may not be able to secure a room. It is also possible that our room block will be exhausted before the cut-off date. We will then make every effort to secure participants a room, hopefully in the Conference Hotel. It is also possible that we will secure a room at the last minute. Therefore, if you have not received your confirmation from the hotel, after the GSA Main Office has received your Request Form, call them directly and ask if you are listed. Late reservations, or those postmarked by the deadline, are late. GSA will try, but can make no guarantees. Remember, you **MUST** make reservations by the deadline, and the U.S. Postal Service is not to be trifled with. As President Ronald Reagan once said, “trust, but verify.”

REMEMBER! It is necessary to register for the Conference in order to attend sessions, and it is necessary to register in order to receive a hotel room.

PERSONS SHARING A ROOM: If you are sharing a room with someone, both parties must register for the Conference, and the forms **MUST** indicate the name of

the person with whom you are sharing a room. It is necessary to inform a person with whom you are sharing a room.

BADGES: No person will be admitted to the Conference Section of the Hotel without a badge. This area is closed to people without official GSA badges. There are no exceptions. Persons without badges will not be admitted to any sessions and will not be permitted to present. Badges are necessary throughout the Conference. Persons without badges will be denied entry and denied the right to present a paper.

AUTO AND AIRLINE DISCOUNTS ARE AVAILABLE:

GSA has again contracted for air fare and auto rental discounts. Please read this information. GSA is pleased to offer really discounted fares for travel to the 2001 Conference. You can book these fares through Stellar Access, our official travel agency, or your own travel agency. Get to know Stellar Access, which has other specials for you in future travel. They handle many conferences of scholarly organizations, and also arrange personal travel.

GSA has selected **Stellar Access, Inc. (SAI)** as the official travel agency for this meeting.

Call 1-800-929-4242 and request discounts for **Group #405**. Outside the U.S. and Canada, call 619-232-4298. When calling SAI, transaction fees are only \$10. Book your travel on-line and get the same contracted discounts but pay NO transaction fees.

You can go directly to Stellar Access on line at <http://www.stellaraccess.com>, select your own PIN and book your reservations on line. First time users of Stellar Access must register and select a PIN and refer to our Group #405.

United Airlines - save 5% to 10% on lowest applicable fares with an additional 5% off with a 60 day advance purchase. All rules and restrictions apply. Travel between October 1 and 10, 2001.

Alamo Rent a Car - rates start as low as \$37 a day for economy models and \$165 a week with unlimited free mileage.

If you call direct or use your own agency, refer to these codes:

IMPORTANT INFORMATION FOR ALL INTERNATIONAL PARTICIPANTS

The United States is **not** a member of the European Banking Consortium. Therefore, Eurocheques are not accepted by American banks or by hotels, restaurants, shops, etc. Some banks will make an exception, occasionally for a fee. In any case, Eurocheques are not valid in U.S. dollars. Therefore, they should be made out in Deutsche Marks. European banks do not recognize Eurocheques in dollars. If you mistakenly write a Eurocheque in dollars, expect a fee up to 40%.

Experienced European travellers bring traveller's checks made out in U.S. dollars or take a plastic card that will function in an ATM (Automatic Teller Machine = Geldautomat). Traveller's checks in dollars are accepted at hotels and banks and most shops. Credit cards are another good way to pay. GSA and most shops and hotels accept Master Card and Visa. Hotels often accept American Express and Diner's Club as well.

REGISTRATION INFORMATION

Pre-registration by Mail

Pre-registration at the reduced rate is available for members of the Association whose membership was in good standing as of July 1, 2001. **Persons who join the Association after that date pay the non-member rate.** A registration form is enclosed with this program and should be used to facilitate registration by mailing it before the deadline. Pre-registrants may pick up their registration packet at the GSA Registration Desk. Registration for members as of July 1, 2001 is \$70. Registration for non-members and those who joined the Association after July 1, 2000 is \$80. Pre-registration for the conference is available with the form in this program until September 10, 2001. Anyone may register at the Conference at the GSA Registration Desk. The special hotel rate is provided only to those persons who pay the Conference Registration Fee before check-out.

The Registration Desk at the Hotel

SPECIAL ON-SITE REGISTRATION CHANGES!!!!

BECAUSE OF THE SPECIAL CIRCUMSTANCES THIS YEAR, IT IS ADVISABLE FOR ALL CONFERENCE PARTICIPANTS TO PICK UP YOUR REGISTRATION PACKET ON THURSDAY, IN ORDER TO AVOID THE EXPECTED CRUSH ON FRIDAY MORNING!!! PRE-REGISTRATION IS ADVISED.

PLEASE PICK UP YOUR REGISTRATION PACKET DURING THE EXTENDED THURSDAY HOURS. YOU WILL NOT REGRET IT. REMEMBER, YOU WILL BE BARRED FROM SESSIONS AFTER 10AM ON FRIDAY WITHOUT A BADGE!!

WE WILL HAVE EXTRA REGISTRATION STAFF ON DUTY THURSDAY AND ALSO ON FRIDAY, BUT IT IS STILL ADVISABLE TO PICK UP YOUR PACKETS WHEN YOU ARRIVE AT THE HOTEL ON THURSDAY EVENING.

GSA Registration Desk hours:

Thursday, October 4	3:00 PM to 8:30 PM
Friday, October 5	7:30 AM to 4:00 PM
Saturday, October 6	8:00 AM to 12:00 PM

The Registration Desk is located at the top of the Grand Escalator.

Luncheons are scheduled for Friday and Saturday, and the Banquet of the Association will be held on Friday evening. Attendance at the meal functions is by pre-registration only, and tickets should be ordered and paid for by check. After **September 25**, the availability of tickets for meal functions cannot be guaranteed. Meal tickets will be available in the registration packet which you receive at the Registration Desk. Kindly do not forget the meal ticket. Admission to the meals will not be permitted without a ticket. The hotel closes its meal count twenty-four hours in advance.

Wear your Registration Badge during the Conference. Only persons wearing an official GSA Registration Badge will be permitted in the Conference Area. Persons not wearing a badge will be denied entry. GSA representatives will assist those who have no badge by guiding them to the Registration Desk. No presenters may present a paper without wearing a Registration Badge. Badges are required.

Participants from Germany, Austria, and Switzerland: It is often the case in your country that persons are *invited* to a conference in order to present a paper. In such circumstances, that individual is not expected to pay registration fees. That is not the case for American scholarly associations. This is because American scholarly associations are supported by the membership and by participants. Here, no one is *invited*, and all are treated equally as having proposed papers/sessions. Thus, all are required to pay registration fees. American associations are “shared gatherings,” and costs are covered by sharing expenses, such as paying registration fees. This includes foreign participants who also present papers. You are not exempt, and are expected to participate in the costs as well as the benefits. All participants must pay registration fees.

CONFERENCE GROUP FOR GERMAN POLITICS BUSINESS MEETING:

The CGGP will hold its Business Meeting at 6:00pm on Friday, October 5 in the Salon D and E Room. Clay Clemens, President of the CGGP, will preside.

SPECIAL EVENTS FOR THE TWENTY-FIFTH ANNUAL GSA CONFERENCE:

Friday, October 5 –

The regular no-host cocktail reception on Friday evening, October 5, prior to the Banquet of the Association will be hosted this year. Christian Bode, General Secretary of the DAAD and Britta Baron, Director of the New York Office of the

DAAD, invite participants in the Jubilee Conference to a reception in honor of twenty-five years of the GSA and 75 years of the DAAD. This will open at 6:00 pm and no reservations are required.

The Free University of Berlin will hold a reception on Friday evening, October 5, prior to the Banquet of the Association. The Reception will be hosted by Wedigo de Vivanco and Manfred Wilke of the FU. This reception is open to all friends and alumni of the Free University of Berlin. Information about current programs of the FU Berlin will be available.

The **Banquet of the Association on Friday evening, October 5**, will be a special gala affair, with numerous highlights. The Association has reduced the dinner price for the evening from the normal rate charged by the hotel.

Saturday, October 6 –

On Saturday evening, October 6, three special receptions are scheduled off-site. The German Historical Institute will host a reception at 6:30 pm for all participants in the GSA Conference (wear your conference badge for admission) in its building at 1607 New Hampshire Ave., NW. The GHI asks that you indicate at the GSA Registration Desk, if you have not already done so by pre-registration, whether you will attend (this is to help give a head count for advance preparation). The Goethe Institute – Washington, offers a reception at the same time, with the same request for advance notification for an approximate count. Again, it is necessary to wear your badge for identification as a GSA Conference Participant. The Goethe Institute is located at 814 7th Street, N.W., and its telephone number is 202-289-5069.

The Austrian Embassy invites all conference participants to their embassy to join members of the general public for a lecture and book presentation by Hubert Feichtlbauer of his book, *Der Fall Oesterreich. Nationalsozialismus, Rassismus: Eine notwendige Bilanz*, at 7:30pm at 3524 International Court, N.W., ten minutes from the Van Ness Metro Station. A reception hosted by Ambassador Moser will follow. The Austrian Embassy asks that those who intend to go kindly call 202-895-6776 for reservations.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author outlines the various methods used to collect and analyze the data. This includes both primary and secondary data collection techniques. The analysis focuses on identifying trends and patterns over time, which is crucial for making informed decisions.

The third part of the report details the results of the study. It shows that there has been a significant increase in sales volume over the past year, particularly in the online market. This is attributed to several factors, including improved marketing strategies and a more user-friendly website.

Finally, the document concludes with a series of recommendations for future actions. It suggests that the company should continue to invest in digital marketing and explore new product lines to further expand its market reach. Regular monitoring of key performance indicators is also advised to ensure ongoing success.

Happy Birthday, GSA!

DAAD, on behalf of the German universities and specialized colleges, salutes the German Studies Association on the occasion of the celebration of its 25th Anniversary! The GSA leadership as well as its many individual members have significantly influenced and shaped the North American educational and research environments in all fields of German Studies. They have made crucial contributions to the international and interdisciplinary dialogue around issues of common interest to the transatlantic community and beyond, in a truly global context.

It is our privilege – in this 30th year of our own presence in North America – to celebrate with you the quarter century of promoting international understanding and to wish you well in building on the dynamic discourse you have forged in the interest of a world that is continually drawing together.
